1   WHEREAS, a case management conference in this action is set for June 19, 2006

2 (the "June 19 Conference"); and

3   WHEREAS, in connection with the June 19 Conference, the parties were required

4 to file a joint statement of undisputed facts for purposes of summary judgment motions by June

5 9, 2006;

6   WHEREAS, the United States government has filed a motion seeking a stay of

7 certain discovery in this action, which motion is scheduled to be heard before this Court on June

8 12, 2006;

9   WHEREAS, in connection with the stay motion, the parties have agreed to

10 postpone all depositions in this case until after July 15, 2006 to allow this Court time to rule on

11 the stay motion, which ruling will impact the schedule in this action; and

12   WHEREAS, in light of these developments and the pending motion to stay, the

13 parties have conferred and agreed that, subject to the approval of the Court, it would be prudent

14 to adjourn the June 19 Conference to July 31, 2006. The parties further stipulate and agree,

15 subject to the approval of the Court, that it would be prudent to adjourn submission of a joint

16 case management statement to a date to be determined at the July 31, 2006 Conference, since

17 that date will necessarily be impacted by the Court's ruling on the June 12 motion to stay.

18   NOW, THEREFORE, IT IS STIPULATED AND AGREED, by and between the

19 parties, subject to the Court's approval, that:

20   1.   The June 19, 2006 case management conference is adjourned to July 31,

21 2006.
